What is Rotary Leadership Institute?
It is generally agreed throughout the Rotary world that the success or failure of a Rotary Club depends on the quality of leadership, it has been said that poor club leadership is the primary cause of membership losses. Because of the annual turnover of club officers, Rotary needs a constant influx of knowledgeable Rotarians who have the leadership is skills necessary to move a club forward. Leadership is the primary cause of membership losses. Because of the annual turnover a club forward. Leadership skills in a voluntary organization are often different from husiness leadership skills. RLI provides an opportunity for quality Rotary education that is susually not otherwise available. The Institute believes in course sessions with as much discussion/participation as possible. Discussion breakout sessions are limited to approximately 15 persons. Lectures are strictly limited. Course methods include discussion groups, roble-playing, problem solving workshops and creating projects. Everyone participates during one of the Institute's sessions. Course materials including session outlines, the dally program, faculty listings and resource materials are provided to all participants.
Faculty members are carefully selected for their teaching abilities. Many are present and past R.I. directors, district governors, presidents and those with experience in special areas. Each new faculty member must attend a full day training program and various periodic reorientation programs. The results of course evaluations help to improve the course content and instruction.
Any Rotarian may attend RU courses who have the potential and interest for future club leadership, not necessarily as club presidents, to attend. The ideal candidate has a strong interest, and is prepared to be exposed to the larger world

Rotarians Needed To Make a Difference and Change Lives

The Thomasville Rotary Club has made a difference in the lives of Thomas Counties' youth for many years. One of the many successful endeavors of the Thomasville Rotary Club has been **Character Counts**. Character Counts was created in 1992 and is the largest character development organization in the world.

Our Rotary Club has underwritten the cost of this character hudvenopment organization in une word. Our Rotary Club has underwritten the cost of this character hulding program for many years. Our members volunteer to facilitate discussion sessions in four local schools and youth development organizations on the Six Pillars of Character which are taught as part of the organizations curriculum. Six Pillars of Character:

 Trustworthiness Respect
 Responsibility Fairness

Caring
 Citizenship
Character Counts Centers of Influence

 Boys and Girls Club
 Vashti Scott School

Community Resource Center

Responsibility Two volunteers will facilitate Character Counts sessions in one of our organizations. The session lasts about 45 minutes. A great session is when the students carry most of the conversation and the volunteers have a chance to see the hope and joy of our future. Ideally it would be great for a volunteer to be willing to facilitate for six sessions or about 6 hours of service in 2020. Volunteers will be equipped with discussion materials and outlines before each class. Please email Matt Brown at Matt.Brown@TCFederal.com
