### Special Thanks to our Speaker from Last Week - Dr. Chip Bragg

We had a wonderful presentation from Dr. Chipp Bragg last week! He shared information from his fifth book, *Patriots in Exile: Charleston Rebels in St. Augustine* during the American Revolution, which will be released in June of this year. (#5) about the Revolutionary Army. Chip's lifelong passion for American history has resulted in the publication of more than fifty articles and four books—two about the Civil War and two about the Revolutionary War. We were treated to many great stories and articles from his book and learned much about events as they happened during the Revolutionary War. Thanks for a great presentation!

### Invite from Andre Marria for the National Presentation Teen Pregnancy Prevention Initiative

Our Youth Leadership Council is participating in the close out Office of Population Affairs National Expo next **Wednesday, May 27th at 9:00 am on ZOOM**.

This is a National Presentation Teen Pregnancy Prevention Initiative and only 50 programs are being showcased. We were selected and our Rotary Club will be represented by three past presidents; Jeff Zoller, Teri White and me due to our clubs' five year commitment to the Youth Leadership Council. I believe it was first funded during Scott's year.

We were asked to participate because of our partnership and our support of the Morehouse initiative. I hope you will encourage Rotarians to support our teens as they share what they have learned over the past five years
