Don't miss the excitement of the drawing that determines our third whiskey raffle winner ... or the opportunity for fellowship and fun with your Dunwoody Rotary friends this Thursday night at the Dunwoody Tavern. Festivities begin at 5:30 pm.

You still have time to purchase tickets - or encourage your friends to do that - as we stand at 127 tickets sold out of the 150 available tickets. For drawing #3, the prize is a bottle of Blanton's Gold valued at \$400. Tickets are on sale for \$30 each at whiskey-affle.com. We are planning now for the 2023 GRSP Leadership Weekend - scheduled for February 10-12. A signature Dunwoody Rotary event for the last 20+ years, this weekend provides many opportunities to meet some special college students from around the world - here for a one-year cultural exchange as part of a program that is unique to Georgia. And you'll meet Rotarians from many of the clubs who help us host this weekend.

At the moment, we are looking for host families willing to provide bed, breakfast and a bit of transportation between Friday night and Sunday morning. We try to keep the students in groups of two to four, but we welcome your participation even if you can only take one student - or want to volunteer with some of the many weekend activities - from a group service project to Friday night social events to Saturday night suppers, the Sunday morning Shark Tank competition, or helping with logistics during the weekend sessions.

Contact Jackie Cuthbert if you'd like to talk about the best ways for you to help with the leadership weekend. And watch for more about an upcoming planning meeting.

The Power of Rotary

Books for Ukranian Children

Editor's Note: This article appeared on the Rotary Voices Website, authored by our own Honorary Member Laura Kann who started her Rotary career with us and is now District Governor of District 6420 in Illinois.

Rotary's response to the war in Ukraine has been simply incredible. Since the war began in February, Rotarians have opened their hearts to support those effected by the war in many different ways. Many members in my district have also been thinking, what can we do, right here, right now?

In August, I read a front-page article in the Chicago Tribune about Ukrainian refugee children in Chicago and the impact of the war on them and their families. It both broke my heart and spurred me to action, showing me how District 6420 could make a difference for at least some of these children.

With the start of the 2022-23 school year many of these children enrolled in a new school in a new city with new teachers and new classmates. They had been forced to leave their homes, their relatives, their friends, their schools, their toys - everything. They had traveled a very long distance to a very new country where everything was different. Not necessarily different in a bad way, but different nonetheless. They literally had started over.
