Getting to Know You

Chris Gutschenritter, Past President and Almost Charter Member

Since joining our club in 1984 just months after the Club was founded, **Chris Gutschenritter** has been a cornerstone of our Rotary family. His journey began in Sandy Springs, where his neighbor and friend, Gary Lane—one of our club's founders—encouraged him to attend a meeting. At the time, Chris was serving as the Director of Taxes for Siemens Alice. With control over his schedule and a desire for camaraderie, Chris jumped in, seeking a way to socialize and connect with his community.

Over the last four decades, Chris has been a dedicated leader. He stepped up as Treasurer in the club's early years, returned to the role in the mid-1990s, then served as our **Club President in 2004-2005 for Rotary International's centennial celebration,** and later dedicated three years to serving as the District Treasurer.

When asked about his favorite Rotary memories, Chris points immediately to the **Georgia Rotary Student Program (GRSP)** weekends. For Chris and his wife, Jane, hosting students has always been a highlight. While they've had a short break from hosting recently, they were eager to open their home again this year and sad when the weekend was cancelled because of weather. "It's always been a good thing to do," Chris notes, reflecting on the joy of meeting students and participating in the weekend's social festivities.

Looking at the club today, Chris is energized by our current momentum. He is particularly pleased with the "relative youth and enthusiasm" of our membership, citing our work with **Anchor Place**, the success of the fundraisers, and the social bond of "Thirsty Thursdays" as highlights of our modern era.

Outside of Rotary, Chris started the firm Ashford Financials LLC and continues to manage it along with his son, Peter. He also remains an avid traveler, having recently returned from a two-week Tauck river cruise from Basel to Amsterdam. His next adventure is deeply personal: this September, he and his four surviving siblings will take a river cruise together to visit their sister in Sweden. It is a special trip designed to celebrate family and honor the memory of their sister who passed away earlier this year.

Chris and Jane are seen celebrating their 50th wedding anniversary while on a river cruise in France in May 2024.

Sunshine Revisited

A Club of Many Talents (and a Few Brave Stomachs!)

Our Rotary meetings aren't just about business— early last month we took a fun look into the diverse backgrounds and "bucket list" adventures of our members. After a quick survey of the room, it’s clear that while we all call Georgia home now, our roots and experiences span the globe.

FROM FAR AND WIDE

We are a well-traveled bunch! The majority of our members were born and educated outside the Peach State. We also caught a glimpse of our club’s future: while most of us have a few more miles on the odometer, our exchange student and one other member are proudly representing the **"Post-2000" generation.** ### Thrills, Chills, and... Ant Hills? When it comes to adventure, this club doesn't shy away:

- **On Land & Sea:** Most of us have laced up for a **5k or organized race**, and several have explored the depths while **scuba diving**.
- **In the Air:** Only one member has braved the leap of **skydiving**!
- **On the Plate:** Our culinary courage is... questionable. While almost everyone has tried sushi, a brave few have sampled **insects (specifically ants)**. Even more rugged? A couple of our members have actually **hunted and eaten rattlesnake!**

SERVICE ABOVE SELF

Beyond the adrenaline and odd snacks, the spirit of Rotary is alive and well. At least **half of our members** currently serve or have served on the boards of other non-profit organizations. This commitment to leadership and community service is truly the

heartbeat of our club.

It’s an honor to serve alongside such a multifaceted group of people. Whether we’re running races or leading organizations, we certainly keep things interesting!
