

PRESIDENT'S CORNER

President Lisa Stueve's Welcome Message

Rotary International is an organization of business and professional leaders united worldwide who provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world.

The Rotary Club of Sandy Springs meets most Mondays at the Hilton Atlanta Perimeter Suites at 12:15 PM. The lunch program includes club business and also hosts guest speakers - business professionals, elected officials, non-profit leaders and others from the Sandy Springs area.

We're always looking for ways to make an impact in the community; our club members are actively engaged with senior and youth programs that support leadership development and student scholarship. While our motto and most important feature of Rotary International is "Service Above Self," we also work together in fellowship as we enjoy great camaraderie. Like us on Facebook Sandy Springs' Facebook Page to keep up to date on our club's activities!

LEADERSHIP

President	Lisa Stueve
President-Elect	Will MacArthur
Immediate PP	Jerry Hicks
Vice President	Jim Squire
Treasurer	John Neill
Secretary	Mike Stacy
Program Director	Billy Lovett
Fellowship Director	Fred Ferrand
Public Image	Sally McLaughlin

Here is an excerpt from a recent AJC article on Austin Jackson by Ann Hardie: "Austin Jackson set his sights on becoming a pilot when he was a kid. What he didn't count on was becoming an author, motivational speaker, entrepreneur and philanthropist along the way. But that's what has been happening since Jackson published his first novel, "Takeoff: Seeing Beyond the Clouds," when he was a junior in high school as a way to pay for flight school. Three years later, the 19-year-old Fairburn resident talks to church, student and other groups about how to soar. He and some friends recently started an online company that sells clothing and other inspirational items with a takeoff theme. Meanwhile, Jackson is working on his second book. Oh yeah. He's also going to flight school. Jackson's book is available on Amazon."

At least 7 million children under the age of five die each year due to malnutrition, poor health care, and inadequate sanitation. To help reduce this rate, rotary international provide immunizations and antibiotics to babies, improve access to essential medical services, and support trained health care providers for mothers and their children. Their projects ensure sustainability by empowering the local community to take ownership of health care training programs.
