RCD Caring Hands

An oft-quoted maxim says, "*No one cares how much you know, until they know how much you care*". *- Theodore Roosevelt*

The cards for members and their families that circulate during our meetings are one way to express shared joy over good news or shared concern about difficulties experienced. As one of our members recently stated at his return from surgery, getting a card with heartfelt greetings from all the members present helped him feel better and heal sooner.

Once we know our friendly breakfast club is also a caring club, our dedication to "*Service Above Self*" is stronger and we look forward to participating in projects and events with other Rotarians. If we are in need of a service, the first call made will be to a Rotarian.

So, if you are aware of an approaching or pat event worthy of celebration or concern, please tell **Dottie Toney-Ransom** at toneydot@me.com. You can also write it on either a yellow card (for joy) or a blue card (for concern) and leave it on the table, or place it in Dottie's hand at the end of the meeting.

We ARE a very caring club! Thank you for helping to make it so.
