RCD donated funds that provided a much needed operating table to the Medical Clinic of Hope in Terre Blanche, Haiti.

Louise Barden accompanied a US medical team to Haiti in November where she assisted a physician performing a minor surgery in the clinics's operating room.

Because the table is adjustable, it provides positioning and support for a wide range of procedures including cataract surgery, cyst excisions, gynecological and other operations. Prior to obtaining this OR table, surgeries were performed on a hospital gurney which made positioning patients difficult and required the surgeons to work in uncomfortable positions for hours.

Looking for the fountain of youth? Try hanging out with younger people

Dunwoody Elementary School (DES) would like to establish a relationship between our older and younger generations who reside in the same community. DES is seeking RCD retirees, who area able, to come to the school once a week (30-minute commitment) and support instruction in the classroom. Individual volunteers will be matched with a teacher who will establish lines of communication with the volunteers.

Volunteers will be asked to help with math and reading fluency and possibly other activities that could benefit from an extra pair of

Update RCD Participation at the Dekalb County Special Olympics

Many dedicated Rotarians came out on Friday, November 3 to officiate the Dekalb County Special Olympics basketball team skills competition held at Peachtree Charter Middle School. Lending their keen math skills to tally team scores were **President Rick Otness, Rick Woods, Fred Brandt, Kathy Brandt, Jennie Stipick, Erich Schuetz, Ed Holiday, Fred Bounds, Carol Gage, and Bill Koss.** We were also lucky to be joined by our Rotary Youth Exchange student **Anna Moldrup** and Rotary Youth Exchange applicant **Emily O'Day**.

Middle school teams from all over Dekalb County competed in the

event. Teams of five take the court in a specific formation around the basket. They earn a point for each successful pass and each successful catch. The pressure is on the fifth member, who shoots to score a goal for 2 points. A perfect round earns the team eleven points. The team with the higher score wins the bracket and moves on. Each athlete at the event, no matter his or her skill level, embodied the Special Olympics Oath. 'LET ME WIN. BUT IF I CANNOT WIN, LET ME BE BRAVE IN THE ATTEMPT."

Toys for Tots at the Holiday Luncheon - December 15, 2017

Remember to bring new unwrapped toys to our Holiday Luncheon on **Friday, December 15th.**
We will have representatives from the **United States Marine Corps** join us for our Luncheon.

Over the years our club has become one of the major donors for this worthy project of taking care of kids in need at Christmas.

Updated Personal Information in R.I. Database Needed

We need your help. The **Caring Hands** Committee reports several

members have written back advising they received birthday cards wishing them well, and although they are appreciative of the thought, have indicated it was not their birthday.

We have traced the problem back to the information members have listed in the Rotary International database.

We ask for each of you to log into the **Rotary International** database (https://rotary.org) and review the data listed for you (i.e. birthday, anniversary, etc.) in the **"My Rotary"** section.Once you have verified the information listed is correct, you need to save the record to trigger a download that will also update the information listed in the District database. (*Hint: If you make any change you get the option of saving the change. If record is correct make a minor change and then change it back to have the option of saving changes)*

If you make a good faith effort to update, but for some reason can't access the RI database, please send the following information to: RCDSecr@gmail.com

Get Ready to Welcome the World in January 2018!

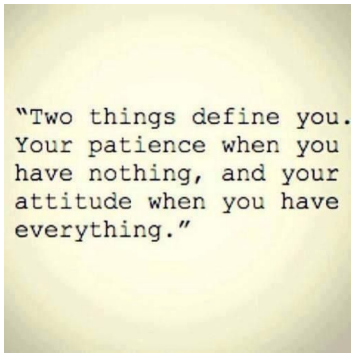

No we're not having another Rotary International Convention here in 2018, but **January 13, 15, 2018**, we will host the **16th GRSP Leadership Weekend** – bringing all 45 students from the class of 2017-18 to Atlanta. There is at least one opportunity for every Dunwoody Rotarian and your families to be involved as the students explore "*Service Above Self*" and their possibilities for making a difference in the world. The weekend starts Friday afternoon at the Center for Civil and Human Rights in Atlanta and continues all day Saturday and Sunday morning at Oglethorpe University. Friday and Saturday evenings are for fellowship and fun.

We'll share more details on the weekend's agenda as we get closer. For now, we're especially looking for host families who can welcome GRSP students to their home on Friday and Saturday night. It's a great way to get to know a couple of students better – and from personal experience, it's pretty easy. Host families provide beds to sleep in, breakfast Saturday and Sunday, a Saturday night meal, and transportation (home from Friday night's event, and to and from Oglethorpe Saturday and Sunday morning). We already have previous host families signed up to help again – with room for about 20-25 of the students, so we're looking for more volunteers.

If you're interested, please contact **Jackie Cuthbert** at cuthbert@mindspring.com or 770-597-1183, and remember - even if you can't host for the weekend, we'll have other opportunities for you to spend time with the GRSP students. So watch for more information in November and December.

RCD Caring Hands

An oft-quoted maxim says, "*No one cares how much you know, until they know how much you care*". *- Theodore Roosevelt*

The cards for members and their families that circulate during our meetings are one way to express shared joy over good news or shared concern about difficulties experienced. As one of our members recently stated at his return from surgery, getting a card with heartfelt greetings from all the members present helped him feel better and heal sooner.

Once we know our friendly breakfast club is also a caring club, our dedication to "*Service Above Self*" is stronger and we look forward to participating in projects and events with other Rotarians. If we are in need of a service, the first call made will be to a Rotarian.

So, if you are aware of an approaching or pat event worthy of celebration or concern, please tell **Dottie Toney-Ransom** at toneydot@me.com. You can also write it on either a yellow card (for joy) or a blue card (for concern) and leave it on the table, or place it in Dottie's hand at the end of the meeting.

We ARE a very caring club! Thank you for helping to make it so.
