

## Felipe Bassani

Felipe Bassani has been in the US since August and is beginning to wind down his year as a student in the United States. Come hear about his year, and learn from Tim Lee about the experience of being a Host family for a GRSP student.

## Polio in the USA

We forget how bad polio was for children in the USA before Jonas Salk announced a vaccine for polio in 1955. In the early 1950s polio outbreaks caused more than 15,000 cases of paralysis each year in our country. Polio is deadly for 3-5% of child victims. In

1952 over 3,000 children died. This is a vicious disease.

Before 1955 the summer months brought the threat of polio. Children were warned not to go to swimming pools, movie theaters and public gatherings. Parents worried. This is ancient history in our country. But polio is still paralyzing children in both Afghanistan and Pakistan. There are another 17 high risk countries in Africa and Asia. Parents in those countries worry. We can stop this. We now have the vaccines to rid the world of polio. We ask you to join the other members of the Rotary Club of Dunwoody in support of "Countdown to Zero," Rotary International's campaign to End Polio. Gifts of \$100 or more will be matched for your credit towards the Paul Harris award. Donations can be made by either writing a check to "The Rotary Foundation" (and giving it to Roy Wise, Fred Brandt, or Bill Mulkey), or by visiting the Club's website at <https://www.dunwoodyrotary.org> and clicking on the red icon that says End Polio Now. which will bring you to the project page where you can click on the blue Contribute button. That brings you to a secure page where you can enter your credit card information and make a donation.

Those attending also had a chance to hear Court Dowis, our District Governor (DG) for FY 2019, speak about the goals for FY 2019, as well as getting an inspirational update from DG Alec Smythe on the importance of 4th Quarters and how much they matter (Falcons in the 2017 Super Bowl, and District 6900 in FY 2018). Alec asked that each club's members focus on these 4 things as we enter the home stretch.

üIncreasing membership (Need to make the ask of your Friends)

üFoundation Giving (we are behind last year at this time)

üAttending the District Conference (Rotacon - April 27th thru 29th in Sandestin)

üAchieving your Club's Presidential Citation (activity thru June 30th will count this year)

- To see full details regarding the Conference (i.e. registration fees and announced activities), and be able to register for the Conference, Please click on this link <https://rotary6900.org/conference>.
- Finally, we want to know who is planning to attend, and who won't be attending. Please send an email to [otness\\_r@mindspring.com](mailto:otness_r@mindspring.com) indicating whether you will or will not be attending, and if attending how many people (including yourself) will be attending with you. This information will help us in scheduling Club specific activities during the District Conference.

## Recruit a friend by sharing Rotary experience

The Club needs more members just like you. So how do we find them? It starts when you realize that you know someone who, like you, might enjoy being a member of Rotary. Remember that people you like tend to like many of the same activities as you, and share at least some of your values. They would like Rotary for the same reasons that you do.

You are a Rotarian, so someone that you like will almost certainly turn out to be a good Rotarian. The first step is to share with that person why you like Rotary, and why you feel that they also might enjoy being a Rotarian.

- How do we get new members? **By allowing your friends to participate with you.**
- Who needs to do it? **You**

- When to do it? **No better time than now**

§How to do it? **That is easy ...**

Follow these 5 simple steps:

1. Think about the people you enjoy being with
2. Share with them why you enjoy Rotary
3. Invite them to participate with you in a Rotary project
4. Bring them to a meeting and introduce them to your favorite Rotarians
5. If they exhibit an interest in being a part of Rotary, introduce them to Fred Brant (Membership Chair)

That's it. Give it a try. You will be surprised at how easy it can be share Rotary.
