The BBQ needs your help

Two quick asks of each member. The **Community BBQ Contest and Festival** needs every member to do the following:

·At next week's meeting, please take 100 of the new "save the date" cards for the Community BBQ, and hand them out during the coming week. Concentrate on organizations with which you have a relationship. Some places that may work (in addition to your friends and where you work):
- Churches/temples/mosques (the BBQ will be a family event)
- Elementary and middle school offices (there will be a Kids Que event for children under the age of 15)
- Hardware stores (they sell Grills)
- Cleaners (high repeat traffic areas)
- Coffee places (Starbucks, Dunkin' Donuts, Crema, etc.)
- High traffic restaurants

·At next week's meeting takes two Decal magnets (one for each of your family's vehicles), and attach them to your family's vehicles from Friday (08/10/18) thru 09/08/18. We want to generate interest and having 200 cars in the area advertising the event, should help to build awareness.
Finally, does any member own a Recreational Vehicle (RV) that the Club could use on Friday and Saturday (9/07/18 & 07/08/18)? We need an office during the Community BBQ Contest and Festival, preferably one that can be locked. If you have access to an RV and would be willing to let the Club use it, please contact:

Rick Otness (otness_r@mindspring.com).

Thanks.

Our Youth Students, Mink arrived!

Rotary Club of Dunwoody is going to be hosting a Student from Thailand 🇹🇭 Mink , who just arrived! We are excited to meet her and share with her this experience! And we are still looking for host families who want to share this awesome experience for 90 days.

Hosting an exchange student can be incredibly rewarding for your family, bringing an international experience directly into your home. Host families provide room and board and share their lives with exchange students, involving them in family, community, and cultural activities. The RCD is looking for host families for our inbound student for next year, Mink from Thailand.

If you're willing to experience one of the largest programs in Rotary by sharing your home and learning about a new culture, or you know a family that would be interested, contact Mike Parks, Dottie Toney-Ransom, Tania Lopez, or Jennie Stipick.

What are the responsibilities of a host family?
To accept the exchange student as a new member of your family. The student will be governed not only by the rules of the program

but by the rules of your household. You are responsible for the safety of the exchange student the same as for your own children. Although you might become a bit more of the soccer mom or dad for normal everyday activities, it is not your responsibility to act as a taxi service or a tour guide. Rotarians for the hosting club will be helping in these areas.
