Looking for a Rotary Youth Exchange host Family

Rotary Club of Dunwoody is going to be hosting a **Rotary Youth Exchange Student** from Thailand , Mink , who just arrived!

We are excited to see her often and share with her this

experience!

And we are still looking for host families who want to share this awesome experience for 90 days, (for late February through May).

Hosting a **Rotary Youth Exchange Student** can be incredibly rewarding for your family, bringing an international experience directly into your home. Host families provide room and board and share their lives with the Rotary Youth Exchange Students, involving them in family, community, and cultural activities. The **Rotary Club of Dunwoody** is looking for host families for our inbound student for next year, Mink from Thailand.

If you're willing to experience one of the largest programs in Rotary by sharing your home and learning about a new culture, or you know a family that would be interested, contact **Mike Parks, Deb Shelles Cameron, Dottie Toney-Ransom, Tania Lopez, or Jennie Stipick.**

What are the responsibilities of a host family?
To accept the exchange student as a new member of your family. The student will be governed not only by the rules of the program but by the rules of your household. You are responsible for the safety of the exchange student the same as for your own children. Although you might become a bit more of the soccer mom or dad for normal everyday activities, it is not your responsibility to act as a taxi service or a tour guide. Rotarians for the hosting club will be helping in these areas.

You can find more information about being a host family in http://www.ryeflorida.org/host-family
