

# SEX TRAFFICKING

is stealing the humanity, the youth and the future of young girls.

**14 YEARS**

average age of a child  
trafficked in the U.S.

**100 GIRLS**

are sold up to 10 times  
per night in Atlanta

**100,000 CHILDREN**

trafficked for sex in the U.S.  
at any given time

**HELP US ERADICATE  
MODERN DAY SLAVERY**

# THE HOPE WE OFFER:

Gigi's House creates a safe culture for victims to heal at their own pace.

Gigi's house is dedicated to serving girls ages 13-19 who are at risk of becoming a victim of sex trafficking. We provide a safe home for up to 18 months. In addition to safe housing, we provide individual and group trauma-informed therapy with a license therapist, home-school, mentoring, life skills, daily self-confidence building activities. Our team is passionate about helping these girls develop practical and emotional life skills so that they can survive as healthy adults and build the futures they deserve.

**14** and as young as 9  
average age of child first used in prostitution

**\$290 million**  
estimated revenue generated from sex trafficking in 2007

**90%**  
of exploited children are under the control of a pimp

**7 years**  
The average life expectancy of a girl in forced prostitution

**65%**  
of victims deal with PTSD

**52%**  
experience educational losses
